Ninth Grade

Ninth Grade Class Officers

Left to right: President Mitch Anderson; Vice-President Jan Gartner; Secretary Judy Currie; Treasurer Brent Johnson.

The candidates this year for Ninth Grade Officers were: for President, Mitch Anderson and Donald Lowman; for Vice-President, Jan Gartner and John Hjelm; for Secretary, Cindy Blough and Judy Currie; and for Treasurer Nancy Leatherby and Brent Johnson. The race was a close one but on February 15 these people came out ahead: President Mitch Anderson; Vice-President Jan Gartner; Secretary Judy Currie; and Treasurer Brent Johnson.

The ninth grade officers plan the 9J. They each have a special job to do, Mitch takes care of the activities, Jan the decorations, Judy the refreshments, and Brent will collect the funds.

Faculty

Board of Education and Administration

Dr. Herbert B. Smith, Dr. Ralph E. Bowermaster, and Dr. Thomas A. Shaheen.

Standing: Ben J. Zaugg, John G. Floden, Robert F. Taylor, Armer E. Severin.
Seated: Mrs. Frances Shafer, Clifford P. Carlson (President), Mrs. Marcella Harris (Secretary).

Administration

This is Mr. Hart's second year as principal of Jefferson. He attended Lake Forest College and the University of Illinois. Before coming to Jefferson, he was a biology teacher and then the assistant principal at West High School. He was our assistant principal for seven years before he became our principal.

Mr. Graham has the trying job of assistant principal and dean of boys. This is his second year at Jefferson. He has attended the University of Illinois, Western Illinois University, and Northern Illinois University. He was Superintendent of Schools in Lanark, Illinois, before coming to Jefferson.

Dean of Girls and Guidance Counselors

Mrs. Billingham, our well-respected dean of girls, is a very busy person. She is in charge of the monitors, assemblies, the cafeteria seating, and the school calendar. She has taught at four schools for a total of eleven years before coming to Jefferson ten years ago. Mrs. Billingham graduated from Iowa State College with her B.A. and from Rockford College with an M.A.

COUNSELORS. Our four guidance counselors are Mrs. Lowman for seventh grade, Mr. Long for eighth grade, and Mr. Gambrel and Mr. Williams for ninth grade. They have given us another year of dedicated service. Their job is to help us in choosing electives, school programs, and to work with our school and personal problems. They try to be special friends to all, but because of the large school population it is hard for them to give personal attention to everyone.

Mr. Ian Newman graduated from George Williams College and received his M.S. He, also, is one of Jefferson's guidance counselors. Although born in New Zealand, Mr. Newman has decided to stay in America. In the future he is planning to teach at a college. He is interested in learning

about people and will continue his research. We shall be reluctant to see Mr. Newman leave us.

General math, algebra, and geometry are the subjects offered by the Mathematics Department. General math is offered to seventh, eighth, and ninth graders. Algebra is offered to eighth graders who have done well in seventh grade math. They may then take geometry in ninth grade. Students can instead take algebra in ninth grade, or they may continue to take general math in all three grades.

This year Jefferson students have five periods of English each week, instead of seven as in previous years, so naturally more is expected of them. There have been increased outside assignments also. Many teachers have introduced new grammar methods, with more modern techniques.

Student Government Officers

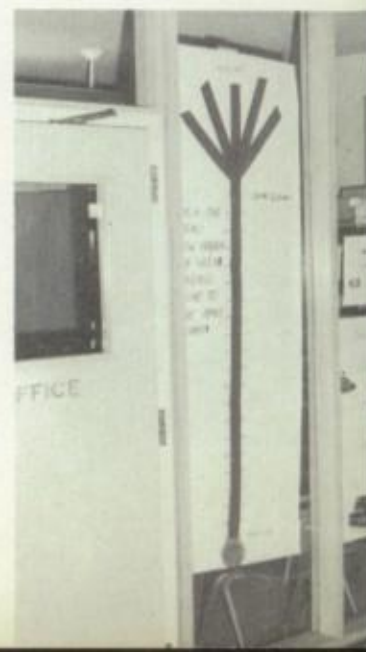

Vikki Johnson, President; Sharon Carlson, Vice President; Cathy Jansen, Secretary; Bruce Schlee, Treasurer.

Jefferson's election for the student government officers was held on November 3, 1967. This year's officers were Vikki Johnson, President; Sharon Carlson, Vice President; Cathy Jansen, Secretary; and Bruce Schlee, Treasurer.

Our school's four officers are advised by Mr. Melvin to help enforce ideas to make Jefferson the best possible school. They also give the elected homeroom students a place to meet, and they all contribute in suggesting ideas for the school. The main project of the Student Government this year was The All American City Project. Vikki Johnson, the president, was the head of this project.

The students shown in the picture at the left are Young-American Winners. Out of 500 students, 30 were selected. Among them is John Hagney, the first person from Jefferson to receive this award. John was the 1966-67 Student Government President. All of the students seemed to be surprised, for they didn't know that they were going to be selected. The awards the students received were a medal and an Everett Dirksen record.

Every year Mr. Borden chooses new students to make the yearbook staff. This year there were twenty-seven people on the staff, including one carryover from last year. Many people think this is an easy job, but it really consists of hard work. A student must have an A or B average in English and Math.

The yearbook publications course consists of learning how to publish the school yearbook, and then putting into practice what has been learned. Some of the duties performed are collecting money for the yearbook, selling taffy apples, taking pictures, laying out pages, cropping pictures, and writing articles. Each person is assigned six or seven pages to do. It is that person's job to finish these pages and turn them in on time.

Activities

1967 9-J

The 1967 9-J theme was "Stardust". The party began with a movie. It was the "Wackiest Ship in the Army." That was followed by a program by our principal, Mr. Hart, and the ninth grade President, Mark LaVan. A dance in the gym followed. Scott Lawn's "Seeds of Doubt" provided the music. Refreshments were served. The 9-J ended with the reading of the "Class Will and Prophecy."

The eighth grade servers were:

Jan Capone, Cathy Jansen, Mitch Anderson, Barb Carlson, John Johnson, Ronda Green, Wally Hansen, Debby Levine.

Jefferson's Open House is held once a year, for the parents only. The only students there, are the ones who have special duties. This event is held so that the parents of the students can become familiar with what is being taught and also meet the teachers. The parents follow their children's schedule for that certain day, but remain in each class for only ten minutes. Open house was held on November 6, 1967.

Rec Nite is the main social activity for most of the students here at Jefferson. It is held on Friday nights from 6:30 to 9:10, and is sponsored by the Rockford Park District. Many activities are held such as swimming, volleyball, movies, and different kinds of table games. This year there were 1,807 tickets sold.

Jefferson's

Jefferson's first assembly was on Friday, October 27. Dick Blake showed us an excellent impersonation of Abraham Lincoln.

Our second assembly was performed by the Turbans. They performed some magic tricks for us. It was very good.

Our next assembly was presented to us by Fisher Body. They showed us some interesting films of the future.

On Friday, March 8, the Good News Quartet presented an assembly of comedy and folk songs. One of the men played a piano and another accompanied with an electric guitar.

The Dramatics Club's play this year was a musical called "Archie and Mehitabel", presented in the auditorium on November 16, 1967. Quite a few people were involved in the production of this play. Everyone worked hard, and as a result the play was a great success. The characters were played very well by students who tried out and were chosen by Mrs. Baleiko, the director.

Spring Play

This year's spring play was held on March 28 in the Jefferson auditorium. The name of the play was "Rebel Without a Cause".

The three act play was about a high school boy named Jim Stark. Nobody understood his problems, and his mother and father were always arguing about him. His father thought he was doing the right thing for Jim, but he never gave him anything to hang on to. When he tried to make friends, some of them led him in the wrong direction. One of his experiences was being turned down while trying to join Buzz's crowd. Then he met Judy, and after becoming very good friends they understood each other's problems.

At the end of the play, Jim's problems were on the way toward being solved. The play was enjoyed by all who attended.

The basketball game between the Jefferson faculty and the varsity team is an annual event in the J-Hawks' basketball schedule. This event always draws a good crowd, and it is always enjoyed by the spectators. The starting five for the faculty were Mr. Lindsay, Mr. Williams, Mr. Gulotta, Mr. Toti, and Mr. Colclasure, but the other faculty members on the team also saw plenty of action. The faculty won the game by the score of fifty to forty-nine, but the varsity was leading during much of the game. Everyone is looking forward to next year's game, which should be just as exciting.

Intramural Wrestling

On Monday, February 19, a large number of Jefferson boys reported to the Upper Gym after school for intramural wrestling. For more than a month the boys, under Coach Gustafson's direction, practiced wrestling and went through an elimination tournament. Finally on Thursday, March 21, the final matches were held. The champs and runners-up are shown in the two pictures below.

Todd,
It sure has
been nice
knowing you this
year. Good luck
next year. Kim

Todd,
It's been fun having you
in English and typing this
year. I hope Mrs. Thomas was
good to you after I left. You'll
have to give me that recipe for
fudge again because I lost it.
Good luck this year & next. You
can get Georgeanne Timmons.

Todd,
It has been fun
knowing you
in math this semester.
Good luck next year.
Shirley

Todd,
Good luck in 10th.
You are a sweet
kid. Have fun
this summer.

Todd,
It's been fun knowing
you. I think you dress pretty
cool. Don't let anyone
tease you about it.
I hope you have
fun in your new
home. Don't do
bad things with
those girls.
Have fun this
summer. Good
Luck.
Diana
Carmichael

My mom said
don't write all over
your yearbooks
and when she
says don't do
something I don't
so I won't write
all over your yearbook

I'll just say

Hi 

Ben Hanson
